Is being "Politically Savvy"...being phony?

(The "Life Of Ambiguity") No matter the "Race", "Gender" or "Religion" what you do in life I guarantee you there are "Politics" involved and your awareness of that reality is job #1. There are many varying opinions on how one can survive in a life of continuous politics, however, the one thing that is very clear.... you can't and will not be able to avoid "Politics. What are your thoughts? Is being "Politically Savvy" ...being phony?

Management Consulting ▲4% y/y

Primary Industry: Management Consulting

Management consulting refers to both the industry and the practice of helping organisations to improve their performance, primarily through the analysis of existing organisational problems and development of plans for improvement. Organisations may draw upon the services of management consultants for a number of reasons, including gaining external (and presumably objective) advice and access to the consultants' specialised expertise. As a result of their exposure...
