Chapter 2

MORE INFO

Fashion has been creating well-designed collections since 2010. The brand offers feminine designs delivering stylish separates and statement dresses which has since evolved into a full ready-to-wear collection in which every item is a vital part of a woman's wardrobe. The result? Cool, easy, chic looks with youthful elegance and unmistakable signature style. All the beautiful pieces are made in Italy and manufactured with the greatest attention. Now Fashion extends to a range of accessories including shoes, hats, belts and more!

GENERAL

Enable SSL [Please click here to use HTTPS protocol before enabling SSL.](#)

Increase Front Office security YES NO

Enable or disable token in the Front Office to improve PrestaShop's security.

Allow iframes on HTML fields YES NO

Allow iframes on text fields like product description. We recommend that you leave this option disabled.

Round mode

You can choose how to round prices: always round up, always round down or classic rounding (up if > .5, down if < .5).

Display suppliers and manufacturers YES NO

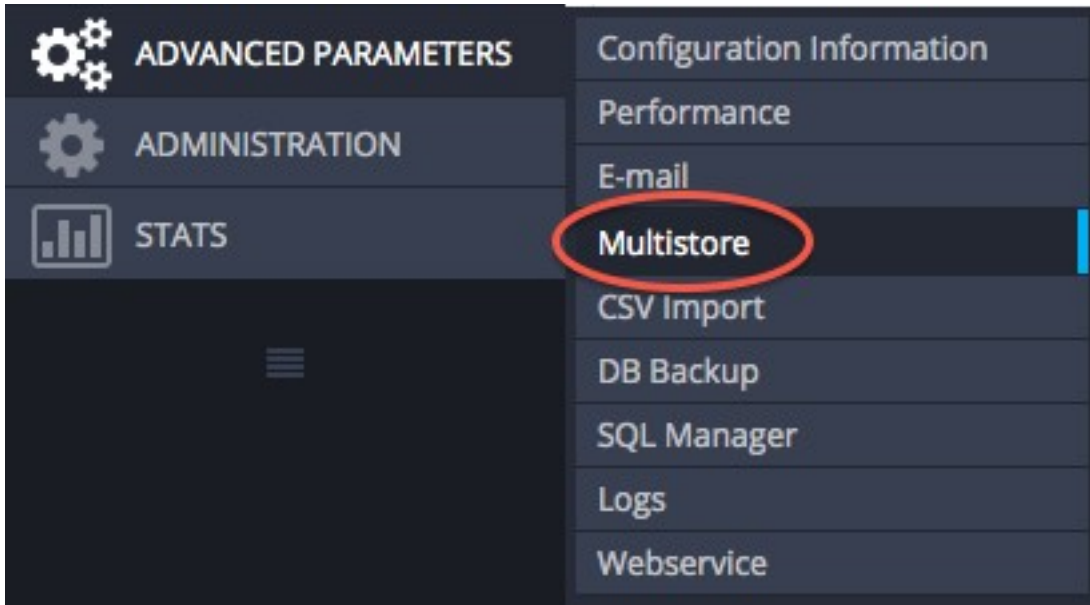

Enable suppliers and manufacturers pages on your Front Office even when their respective modules are disabled.

Enable Multistore YES NO

The multistore feature allows you to manage several e-shops with one Back Office. If this feature is enabled, a "Multistore" page will be available in the "Advanced Parameters" menu.

Main Shop Activity

SHOPS 2

ID	Shop	Group Shop	Category	The shop's main URL
