

Chapter 2: Mastering Functions

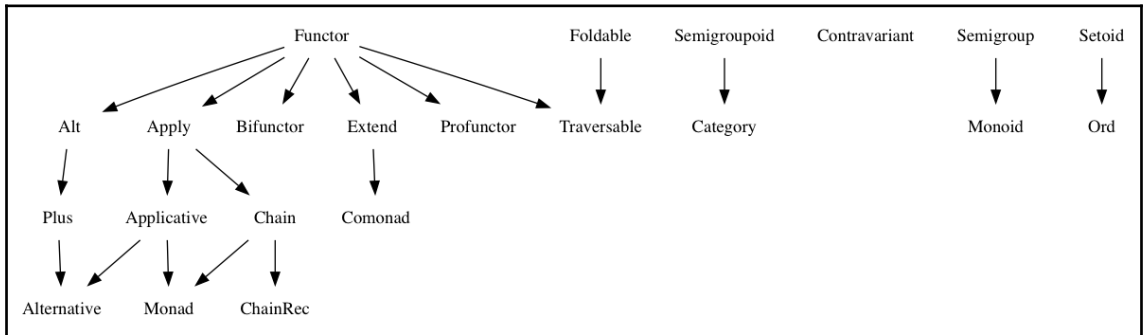

```
function foo(): void {  
  if (true) {  
    var bar: number = 0;  
  }  
  console.log(bar);  
}
```

```
foo(); // 0
```

```
function foo(): void {  
  if (true) {  
    var bar: number = 0;  
  }  
  console.log(bar);  
}
```

```
foo(); // 0
```

Chapter 7: Category Theory

Chapter 9: Functional-Reactive Programming
