HARRIS INGRAM LLP

Business + Intellectual Property Attorneys

Advocating for creative communities and entrepreneurs since 2003

Headquartered in New York City with a satellite office in Los Angeles, Harris Ingram LLP represents creative clients on and between coasts. Our firm specializes in all Intellectual Property matters, from the seed of an idea to the final product. Whether you're a musician, designer, engineer, or small business owner, we will not only protect what you create, but we'll also help it thrive in the world. We bring extensive experience and professionalism to every case and customize our support to your individual needs and concerns.

Our attorneys have been practicing for over a decade and started during the .com internet boom of the late 90s. We're on the pulse of modern technology and media, and have monitored their evolution to inform our own legal approaches—all to give you exceptional advice that will last for years to come.

Get in touch with us to set up a consultation, or use the contact form at the bottom of this page to enquire whether our services are right for you.

Street Scenes

NOVEMBER 08, 2013 IN STREETS

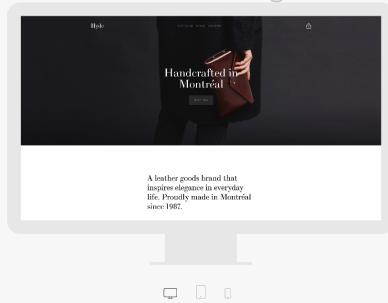

You never know what you'll find on the streets. And if you happen to be a photographer working in New York, that's doubly true. I've had the good fortune to shoot all over the world, and when I come back to New York, I'm always reminded of why I started my career here.

The New York street scene is, for better or for worse, the street scene. It's the one that is the most iconoclastic, and because of the backdrop of New York, it's the one that I think people from just about anywhere imagine when they think of the idea of a street scene—whatever a "street scene" happens to be.

I created this album to showcase some of my favorite street scenes that I've captured in New York. This is nothing that I've done on contract or in my studio, just real life moments captured by me with my Mark III when I had some time to

The image shows a user interface for editing page content. At the top, there are buttons for 'SAVE' and 'CANCEL', and a status indicator 'Editing 'Page Content'' with a plus sign. The main workspace contains a large image of a white chrysanthemum flower on the left and a text area on the right with the word 'Write' in a large, bold font and the placeholder text 'Write here...'. A modal window titled 'IMAGE' is open, showing options for 'Content' and 'Design'. Under 'Design', there are six layout options: 'Inline', 'Poster', 'Card' (which is selected), 'Overlap', 'Collage', and 'Stack'. Below these are two dropdown menus: 'Image Position' set to 'Left' and 'Image Link' set to 'None'. At the bottom of the modal are 'CANCEL' and 'APPLY' buttons.

A wonderful serenity has taken possession of my entire soul, like these sweet mornings of spring which I enjoy with my whole heart. I am alone, and feel the charm of existence in this spot, which was created for the bliss of souls like mine. I am so happy, my dear friend, so absorbed in the exquisite sense of mere tranquil existence, that I neglect my talents. I should be incapable of drawing a single stroke at the present moment; and yet I feel that I never was a greater artist than now.

A wonderful serenity has taken possession of my entire soul, like these sweet mornings of spring which I enjoy with my whole heart. I am alone, and feel the charm of existence in this spot, which was created for the bliss of souls like mine. I am so happy, my dear friend, so absorbed in the exquisite sense of mere tranquil existence, that I neglect my talents. I should be incapable of drawing a single stroke at the present moment; and yet I feel that I never was a greater artist than now.

When, while the lovely valley teems with vapour around me, and the meridian sun strikes the upper surface of the impenetrable foliage of my trees, and but a few stray gleams steal into the inner sanctuary, I throw myself down among the tall grass by the trickling stream; and, as I lie close to the earth, a thousand unknown plants are noticed by me: when I hear the buzz of the little world among the stalks, and grow familiar with the countless indescribable forms of the insects and flies, then I feel the presence of the Almighty, who formed us in his own

There is a little 'map pin' icon that says Palace of Westminster next to it. If you click on that, it will open a map of the location.

Inject a pop of color, without breaking the bank

which last only a few days in their prime, and instead seek longer-lasting flowers such as chrysanthemums, proteus, or ornamental cabbages that can last for weeks.

Keeping cut flowers healthier, for longer

Making sure you change the water in your vases regularly can help keep bacteria at bay, thus prolonging the life of your flowers. You can also try adding a teaspoon of vodka and a teaspoon of sugar for every liter of water you use. The sugar replaces the flowers' nutrients, and the vodka acts as an antiseptic helping to keep the water clean.

If back-to-school shopping has left your bank account drained, you can still keep your home looking bright and colorful on the cheap. Instead of buying a full bouquet of multiple flowers, look for large blooms that will look great as solo pieces. Avoid short-lived flowers such as tulips,

CUSTOM CSS

This area will allow you to inject custom CSS rules into your site.

Warning: Adding custom CSS to your site can break your design. Please use caution when using this feature. Our support team will be limited in their ability to help you with design related issues if you have custom CSS.

Note: Custom CSS does not apply to Cover Pages.
